THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

April 20th 1958. VOL. 7. NO. 3.

Beloved Children of God:

Have you thought in your seemingly arduous journey through the world of form how much you are loved?

From the moment you were called forth from the Heart of the ONE GOD, LOVE has sustained you. Love has created out of the Electronic Light Body of God Himself the Electronic Form of your own "I AM" Presence.

Love has drawn forth for you the Substance of the Elemental Kingdom which has made up an emotional body by which you might feel the harmony, beauty, Love and every other good feeling which is that of Nature

Love has fashioned from the Elemental Substance a mental form by which you can receive the ideas of the Universal, and fashion for yourself an individual world - peopling it according to free-will.

Love has drawn for you an etheric envelope into which you can and have recorded the experiences in the use of energy and vibration. Love has drawn the physical atoms of this world creating the physical body which you wear and use so freely.

All of this Electronic Light Substance is intelligent, free Life that chose to forego Its happiness in Realms of Perfection for the questionable opportunity of making garments for your souls and Spirits.

Love from the Heart of the Directors of the Elements, the Builders of Form and the Kingdom of Nature fashioned this planet - a platform upon which your feet might stand - fresh water - the pristine air you breathe so freely - the glorious firmament with the blue sky of day and the star-studded mantle of God at night, to give you rest and opportunity to refresh yourselves in your journey through the world of form.

From the Kingdom of Nature Love has drawn the tiny elemental forms and trained them to embody themselves in flower, tree, shrub, grass and the very substance that, through Nature, nourishes your physical garment, and, by Its beauty, stimulates your Spiritual nature to remembrance of the Glory you had with the Father even before this world was.

It is through Love that the Angels are kept in the atmosphere of this Earth when pain and distress exists when They might know the joy and happiness of The Heavenly Realms where there is no distress or sorrow.

The sustaining power of this outpouring and teaching is Love. This is done that there may be upon Earth centers where the Sacred Fire of Creation is drawn and radiated into the emotional, mental, etheric and physical strata into which the Masters and Angels may come, and into which your weary souls may enter and find renewed vitality and Spiritual enthusiasm.

Within each one of you,dear children, is Love which responds to these words of Mine, and, overcoming the pressure of your individual worlds, helps you to lift your thoughts and hearts to Me. "I AM" with you. "I AM" loving you. Free-will is yours, beloved. See only Love and see only The Christ in each other. Be assured that I see in you only that constant Shining Light that beats your hearts.

Love and Blessings THE MAHA CHOHAN.
